

"If you focus on results, you will never change. If you focus on change, you will get results."

From Principal's Desk

Dear parents and guardians,
Namaste!

We are hopeful that every Pathshala family is in pink of health in this summer. Remaining hydrated, avoiding direct sunlight, drinking boiled or pure water and eating hygienic food support us to remain healthy in summer.

We are excited to share the progress made so far:

Congratulations to SEE Batch - 2074 !!

Pathshala would like to thank and congratulate all the students, teachers, staff, parents and its well-wishers who made it possible to achieve this successful result with remarkably high grades. Academic journey has just begun for them and we are confident that they will do better in their higher education as well.

Parents-Teachers Conference (PTC) of Mid Term Exam (MTE):

PTC is one-to-one meeting between the parents and grade teachers. We share about the academic and social progress the students have made so far. Parents receive individual time via student's diary for the PTC. Thanks to all the parents and guardians who could come in PTC of Mid Term Exam and shared students' progress in school and at home !

Meeting of Action Team Partnership:

First meeting of 2075 (ATP) was held on 29th Ashadh.

Main agendas were:

- Sharing of updates related to the last meeting of year 2074
- Review on performance of SEE batch- 2074
- General information and feedback sharing by parents

We have continued with the same team of last year for year-2075, as well and process is going on to fill in few classes where representatives have left due to personal priorities.

We will mail the contact numbers of representatives of respective classes by the end of next week so that parents may communicate with one another to share queries and ideas for better learning environment at school.

First Terminal Exam:

First terminal exam of this academic session is going on according to the routine sent for the different grades. We humbly request you to supervise their revision and practice process according to the syllabus provided.

Additional Extra Curricular activities:

There will be extracurricular activities for students of grade VI, VII, VIII and IX after the first term. Details with forms to choose the areas of interest will be sent by Tuesday. We expect that interested children will get opportunities with parents' encouragements.

Pathshala Model United Nations (PMUN):

Model United Nation (MUN) is a simulation of the real-life United Nations. Once the participants apply for a conference, they are assigned to different committees as representatives of different countries. The students take place of a delegate of a country or an international organization. The MUN provides an excellent opportunity to learn about diplomacy, effective communication skills and knowledge on national as well as international politics, issues and events.

This time we are conducting intra-school MUN only for grade VIII, IX and X on 13-15 Shrawan during the term break. Our MUN-experienced ex-students are conducting this event at Bagdol. Details have been sent to grade VIII-X.

Important Dates to Remember in Shrawan:

3-11 : First Terminal Exam

13-17 : Term Break

22 : Friendship Day Celebration by Gr. II

23 : Elocution Competition (I-IX)

26 : PTC of the First Term Exam

29 : Vocabulary Competition (I-IX)

With best regards,

Anita Kumari Tamang

From Academic Coordinator's Desk

Dear parents and guardians,

I hope that all of you are busy to guide or supervise your child concerning the revision and practice according to syllabus for this first terminal examination. I am glad to share a few major achievements and upcoming plans with you via this newsletter.

- We are excited to see the better performance of children in term I examination as review of mid - term, parents meeting and revision activities must have had positive impact on their way of learning and practice.
- **School made curriculum based celebrations:**
Gr III - Eat Your Vegetable Day / Gr IV - World Music Day, Hunger Day
- **School made curriculum based visits:**
Gr II - Tau Daha, Farping as a part of ecological learning / Gr IV - Godawari Botanical Garden as a part of learning types of plants and Patan Durbar Square as a part of historical study/ Gr VI - watched drama 'Sonam Gyalmo' on Tamang history and culture

Children will be involved in few academic activities even during short term break and effective terminal reviews (Academic and subjectwise goals / socio-emotional goals) will follow.

Until the next issue-

Sanju Acharya

News related to extracurricular activities

We would like to thank all parents and guardians for their support and concern throughout the swimming days of the school and cooperating by dropping or picking up children when they prepared or participated for different functions and competitions.

In this time duration, our students are getting chance to explore themselves in different activities organized by different organizations. Here are few details for you:

- Recently, swimming team for (Baneshwor and Bagdol) school took part in swimming competition organized by National Swimming Association, Gwarko and Little Angles' School, Hattiban. Sagar Nayak (Bagdol) and Tarun Bhandari (Baneshwor) received medals in this competition.
- Children of grade X also participated in the World Cup Quiz organized by EPS School.
- Recently, 'Bhanu Jayanti' was marked with Nepali story writing, paragraph writing and poem writing and recitation competitions. Winners were rewarded with prizes and certificates for the 1st to 3rd as well as consolation positions of respective categories. Congratulations to all the winners! Sincere thanks to Nepali Language Arts department for the successful programme !

We hope that students will be participating with enthusiasm and purpose regarding upcoming events enlisted in the 'important dates' above; with encouragement and proper guidance from parents, house masters and house captains. We have to remember that competitions and events are not only to win but also to appreciate diverse interest and capacities; and also to gain knowledge and learn several life skills.
