

"A good education is the foundation for a better future." - Swami Vivekanda

From The Principal's Desk

Dear parents and guardians,

Warm greetings!

I welcome all our students, parents and guardians, teaching and non-teaching colleagues, well-wishers to new Academic Session-2080!

My sincere thanks to everyone for your overwhelming support and cooperation throughout the academic session -2079! Our team is grateful for appreciations, motivations and guidance received from those who are concerned about welfare of entire Pathshala's overall performances and achievements.

Challenges anticipated in 2079 were possible to handle only due to hard work, sense of team spirit and cooperation of coordinators, grade teachers, subject teachers, ATP members, non-teaching department members and students. Our entire team is privileged to have wonderful parents who were highly enthusiastic and supportive throughout the year.

A warm welcome to our new students, colleagues and parents to our beloved Pathshala Family, the family where all explore and grow together with respect and care for one another! Having full trust on such wonderful team of colleagues, parents and students, we are super excited regarding our goals set for 2080.

Communication System in Pathshala!

Means of communication are actually meant to enable every one of us to feel belongingness to this family by sharing about learning procedures happening at the school and collecting required feedback as the things take place. Therefore, as always, we humbly request you to remain updated via several means of communication of our school like newsletters, viber texts, emails, facebook page, website, notices, parents-teachers-conferences, phone calls, parents' handbook and diaries. Team work with respect to one another is successful only if individual is well updated about the information and well prepared for the respective roles accordingly!

Annual Human Resource Development Programme (AHRDP) 2080:

Every year, Pathshala organizes rigorous Annual Development Programme for teaching and non-teaching staff. Depending on annual feedback collected from Action Team Partnership Team (ATP), parents, coordinators and every member of academic department, students, non-teaching department and well-wishers, we prioritize the requirements for knowledge and skill development of respective areas.

Annual workshop was designed accordingly this year, too, from the end of Chaitra to Baishakh 13th in four different phases. I highly appreciate the untiring work of the committee members with Pathshala Pre-Uni Programme heads, academic coordinators and subject coordinators and advisors by encouraging department members, facilitating the sessions and guiding to achieve the goals set for AHRDP-2080.

Enthusiastic participation of colleagues and their preparedness have made us more confident regarding how our students' performances will be enhanced this year. I also sincerely thank following respectful experts of different subjects for their support to share their expertise with us:

1. Dr. Lekh Prasad Niroula
2. Madhav Dahal
3. Hukum Pd. Dahal
4. Tikaram Pokhrel
5. Santosh Bhujel
6. Saroj Bajracharya
7. Shree KC

First Week Activities:

I am very grateful to all the parents for sending children today on the very first day of the new session. It meant a lot because our teachers would not have a sense of good beginning of the session if students are absent. They will be involved in different activities throughout the week to set strong foundation for the performances in 2080:

1. setting classroom structure, class-school-community agreements and responsibilities division
2. knowing about one another much better
3. setting subject skill based and socio-emotional goals
4. understanding long term goals of learning different subjects
5. getting familiar with reward and consequences system
6. review on ongoing assessment system
7. reflection on 'Spending One Day in Pathshala', ie. routine and day to day responsibilities
8. getting clarity regarding school's vision, mission and motto
9. build respect towards classmates, juniors and seniors, teachers and other staff by accepting diversities and generating sense of respect towards one another
10. motivational sessions to get deeper connection to living a better student-life in meaningful way aiming higher achievements

Please, encourage our students at home, too, to give their best to internalize learning of first week as life-learning opportunities.

Account

I sincerely thank parents and guardians for your timely support regarding account matters throughout the session-2079. We also expect the full cooperation in this new academic session, too. Timely information to the accountant is highly expected if any confusion or delays or further queries.

We are also introducing students related insurance from this year with per annum Rs.365. It will be added in the first installment bill of Baishakh-Jeshtha. Further details will be shared during Curriculum Sharing evening.

Contact people for effective communication system

- i. **Ms. Kalpana Kafle (Front Office Officer):** for appointments and information / message to drop or ask – 015244451 / 015244653
- ii. **Respective Grade teachers:** for any kind of information / suggestions/ queries sharing about a particular child and class activities (It is our humble request to all parents and guardians to cooperate by calling them only during 4:00 pm to 7:00 pm. for grade I-VIII and during 2:30-6:00 pm for grade IX-XII.)
Their numbers are in respective viber groups already. You can send **SMS to the grade teachers** anytime if it is urgent. Get the number by calling at the Front Office or Viber if you have not received yet.
We have grade wise **Viber groups** created for group sharing of notices or information to parents form the school. I humbly request everyone to take it as very essential requirement of Pathshala Communication system and check Viber everyday to remain updated.
- iii. **Pathshala Pre-Uni Programme (grade 9-12) Head :**
Mr. Dipendra Dhakal - 9813801774 / dipendra@pathshala.edu.np
Mr. Pundary Phuyal – 9841257793 / pundary@pathshala.edu.np
- iv. **Mr. Amir Bake (Level Coordinator Gr. IX-X):** for infrastructural facilities and norms related matters outside classroom -9841754884 (amir@pathshala.edu.np)
